

B1  
44. Flat float glass that can be prestressed or transformed into a glass-ceramic with high quartz mixed crystals or keatite mixed crystals, that has a concentration of less than 300 ppb Pt, less than 30 ppb Rh, less than 1.5 wt.% ZnO and less than 1 wt.% SnO<sub>2</sub> to prevent undesirable surface defects during floating, and that was refined during melting without the use of the conventional fining agents arsenic oxide and/or antimony oxide.

---

**REMARKS**

Applicants have provided a unique solution with respect to problems regarding FLAT FLOAT GLASS.

This Preliminary Amendment is being submitted in order to place the present application in a better condition for examination. None of the changes submitted in this Preliminary Amendment are to be construed as having any effect on the scope of the subject matter being claimed, as they are merely being presented for clarification purposes, as stated above. All of the changes made in this Preliminary Amendment are made without prejudice, so that matter deleted may be reintroduced as necessary for prosecution of the application.

**SUMMARY AND CONCLUSION:**

It is submitted that Applicants have provided new and unique FLAT FLOAT GLASS and it is requested that a Notice of Allowance be issued at an early date.

If mailed, I, the person signing this certification below, hereby certify that this correspondence is being deposited with The United States Postal Service with sufficient postage as first class mail in an

Docket No.: NHL-FMW-02A US(SCT)  
Serial No.: 09/829,409

envelope addressed to: Assistant Commissioner for Patents,  
Washington, D.C. 20231, on the date indicated in the certification of  
mailing on the transmittal letter sent herewith, or if facsimile  
transmitted, I, the person signing this certification below, hereby  
certify that this paper is being facsimile transmitted to the United  
States Patent and Trademark Office on the date indicated in the  
certificate of facsimile transmission on the transmittal letter which is  
being facsimile transmitted herewith.

Respectfully submitted,

A handwritten signature in cursive script, reading "Nils H. Ljungman".
